Cool. I haven't looked for the comments yet. Matt is in AD, and it didn't occur to me.

Thanks so much, Kevin. I'm glad you got me/us re-oriented on this 😊

I know the comment period just closed on the 7th – I don't see any comments in the docket. Have the registrants said they've provided comments, or sent anything by email?

We'll do a little pre-meet next week here in EFED then set up an additional conversation with ya.

Jim, Melanie,

Thanks for the work EFED has been doing on the lateral flow and well setbacks. Here is the 2006 aldicarb drinking water assessment, which informed our recent aldicarb registration review.
